

***Isotopes Fundraiser – Everything you need to know below.***

**How do you earn money?**

We work as a group in different concession stands. Ovations(the company who runs the stands), pays our group 10% commission for all food sales and 4.5% commission for all alcohol sales.

**Do I have to get an alcohol certification?**

We do ask that at least one person from your family gets certified to sell alcohol. We typically are given a large stand where we need to sell alcohol and food. I will always choose families who have a server to work over a family that does not have a server, because it makes our job easier. We sign a contract to supply the correct number of servers per stand.

**Is there a dress code?**

Yes there is a dress code. You must wear tan or khaki colored pants. Closed toe shoes are all that are allowed. No flip flops, sandals and none of the shoes that look like feet. You can wear tan shorts but they can not be “cheeky short”.

**What happens if I show up not in dress code?**

You go home!

**How are the earnings split up?**

We divide the earned money by the number of people who worked. For example we receive payment of \$500. Catalina(ARVC player) had 4 people work, Jennifer had 3 people work. Nakooma had 1 person work, Kaitlyn had 2 people work and Camryn had 2 people work.

\$500 divided by 12 = \$41.66 each.

Catalina gets \$166.64

Jennifer gets \$124.98

Nakooma gets \$41.66

Kaitlyn gets \$83.32

Camryn gets \$83.32

**What can I use my credit for?**

Credit is accumulated throughout the summer. It can be used toward your next season fees and once fees are covered it can be used for travel to out of town tournaments.

**What if I work all summer and don't make an ARVC team?**

Your credit can be transferred to a different club, you can use your credit toward summer programs or you can donate your earnings to another ARVC player. We are not able to cash out credit. **There is a 25% deduction of total earnings in any of these scenarios.**

**How can I get an alcohol server license?**

You can get your alcohol certification online. This training takes 3-4 hours online and can be paused to go back at your convenience. Please get your certifications done by 4/1 before first games.
