

Tryout Information:

All players who come to our try-outs, will be evaluated that day. We **do not** make cuts to players trying out in our 13U,12U,11U and 10U age groups. Any player that does not make a full season club team (national or regional team), will be placed on our local teams. Our local program is referred to as the Rebels Academy.

At all tryouts athletes will be chosen and offered spots on teams based on coachability, athleticism, teamwork and skill level.

15U, 14U & 13U tryouts are two-day events.

National coaches will select their athletes on the first day, they will call and offer the positions and parents will receive an email to sign up. If your athlete does not receive a phone call they will need to return as they are still being considered for the regional or local program. If your athlete does not return we will assume they do not wish to be considered for the regional or local programs.

11U, 12U, 16U, 17U & 18U

These age groups will have a one day tryout. Coaches will call athletes very soon after tryouts.

We will send an email to any kids that did not make a team and provide tryout information for other clubs in town. We begin making cuts at 14U.

Commonly asked tryout questions:

HOW LONG DO ATHLETES HAVE TO MAKE A DECISION ON PLAYING FOR THE COACH WHO MAKES AN OFFER?

24 hours from the time a coach calls to make an offer.

HOW WILL I ACCEPT MY SPOT ON THE OFFERED TEAM?

You will receive an email within 5 hours of your tryouts completion. The email will have a link to set up your payment arrangements. In order to secure your spot on the team you will have to pay a \$200 non refundable deposit, which will allow us to begin the jersey order process. This \$200 will go toward your club dues. If you wish to pay the \$200 via cash or check you will still go through the payment contract set up and bring the deposit to our office. There will be 3 options of payment.

Full club season teams:

1. Pay in full for a 5% discount
2. \$200 deposit + 3 payments of equal value
3. \$200 deposit + 4 payments of equal value

Rebels Academy:

1. Pay in full for 5% discount
2. \$200 deposit + 2 payments

Special payment arrangements can be set up for split families. Contact Senobia to help set up split plans.

What fundraising does ARVC have?

ARVC has a variety of fundraising available to families. Below is a portion of active fundraising.

List below, 100% of the fundraising profit is given to your athlete's account.

1. World Finest Candy bars. You sell a box of 60 - \$1 bars and 50% profit is credited to your account.
2. Isotopes concession work. We have a group that works at Isotopes park we make 5% commission on beer sales and 10% on food sales. This commission is divided by the number of people worked, then deposited to your account.
3. Isleta Amphitheater concession work. We have a group that works at Isotopes park we make 10% commission on sales. This commission is divided by the number of people worked, then deposited to your account.
4. Banner Fundraiser. Sell banners to hang in the gym to businesses for \$250. \$225 of this money will go to your player account and \$25 will pay for the cost of the banner. See our fundraiser tab(under "about us" "fundraising events" to open a letter that will help you sell these.
5. Straight business donation. Request a donation of any amount that businesses can use as a tax write off. A letter can also be found on our "Fundraising Events" page.
6. New this season – "thirty-one" details coming soon.
7. "Work to play" program, we have opportunities to work as admissions takers during hosted event, we pay your account \$10/hr for these events.
