

Dear Family and Friends,

I am working really hard to participate in Club Volleyball for the 2019-2020 Club season. The Organization I plan to tryout for is Albuquerque Rebels Volleyball Club. They have created a preseason fundraiser to allow participants to fundraise prior to tryouts. This fundraiser will provide me with 70% of the donation to use for my club fees, uniforms, travel costs and tournament entry fees. While 30% of the donation will go toward coaches education. Coaches will be provided with extra training clinics from college level coaches and also receive first aid training. My goal is to raise funds to help my parents off set cost and also to help ARVC educate those coaches training me! 70% profit is an incredible portion to help me and my family.

As you may know, it takes a lot of volunteering and financial support to make an organization of this size a success. Registration fees are charged, however these fess alone do not cover all of the player or teams expenses. Please consider sponsoring me.

This donation is 100% refundable, in the event I do not make a team. Of course I do plan to work very hard to make a team and continue my volleyball career.

You may go to the ARVC donation page for more details. ARVC is a nonprofit 502(c)3 organization
Tax ID #80-0153181

As soon as I receive an offer to be on a team and I accept, my fundraising dollars will be credited to my account and your name will appear on the Thank You Sponsors page.

Thank you in advance for your consideration,

Kindest Regards,
